Bachelor of Health Science (Paramedic)

2025 FLS Year Two Block Course Dates

Semester 1: HSC6310 Trauma/Medical II

We have reviewed the number and length of the block courses for HSC6310 and, instead of the current two four-day block courses, in 2025 FLS students will need to attend one 4-day block course at Porirua campus and one further day (venue to be confirmed), to complete their summative clinical assessment (approximately one hour).

Each of the four block courses below are capped at 18 students and will start at 9:00am on Day 1 and finish at midday on Day 4. The booking sheets for these block courses will be open **Monday 18 November 2024 at midday** on the Bachelor of Health Science: General Information 2024 Moodle page: 2025 FLS block course request*.

| | | |
|----------------|-----------------------------------------------------|---------|
| Block course 1 | 25-28 March 2025 (4 days, Tuesday to Friday) | Porirua |
| Block course 2 | 31 March-03 April 2025 (4 days, Monday to Thursday) | Porirua |
| Block course 3 | 08-11 April 2025 (4 days, Tuesday to Friday) | Porirua |
| Block course 4 | 28 April-01 May 2025 (4 days, Monday to Thursday) | Porirua |

The booking sheet for the summative clinical assessments will open once the venue/s have been confirmed.

| | | |
|-------------------------------|---------------------------------------------|-------------------------|
| Summative clinical assessment | Between Monday 05 May to Friday 23 May 2025 | Venue/s to be confirmed |
|-------------------------------|---------------------------------------------|-------------------------|

Semester 2: HSC6320: Trauma/Medical III

You will need to attend both block course 1 and block course 2 at Porirua campus. Three options (A, B & C) are offered for each of the block courses. You can select which option, A, B or C, to attend, but you must attend **one in each block**.

Each of the block courses below is capped at 24 students and will start at 9:00am on Day 1 and finish at 3:00pm on Day 3. The booking sheets will be open **Monday 18 November 2024 at midday** on the Bachelor of Health Science: General Information 2024 Moodle page: 2025 FLS block course request*.

Block Course 1

| | | |
|----------|-------------------------------------------------|---------|
| Option A | 05-07 August 2025 (3 days, Tuesday to Thursday) | Porirua |
| Option B | 12-14 August 2025 (3 days, Tuesday to Thursday) | Porirua |
| Option C | 18-20 August 2025 (3 days, Monday to Wednesday) | Porirua |

Block Course 2

| | | |
|----------|---------------------------------------------------|---------|
| Option A | 21-23 October 2025 (3 days, Tuesday to Thursday) | Porirua |
| Option B | 29-31 October 2025 (3 days, Wednesday to Friday) | Porirua |
| Option C | 04-06 November 2025 (3 days, Tuesday to Thursday) | Porirua |

* If you are not currently enrolled and therefore cannot access Moodle, please email your preferences to adminhss@wandw.ac.nz from midday on Monday 18 November 2024.

General Information

Please do not book transport or accommodation until you have received confirmation of your block course request.

Bachelor of Health Science (Paramedic)

2025 FLS Year Three Block Course Dates

Semester 1: HSC7310 Trauma/Medical IV

You must attend one of the block courses below. Each of the block courses are capped at 24 students and will start at 10:00am on Day 1 and finish at approximately 3:00pm on Day 3.

| | | |
|----------------|---------------------------------------------------|--------------------------------------------------------|
| Block course 1 | 18-20 March 2025 (3 days, Tuesday-Thursday) | Porirua campus |
| Block course 2 | 31 March-02 April 2025 (3 days, Monday-Wednesday) | Rotorua Hato Hone St John 214 Te Ngae Road |
| Block course 3 | 08-10 April 2025 (3 days, Tuesday-Thursday) | Christchurch Hato Hone St John 174 Durham Street |

Semester 2: HSC7320 Cardiology

You must attend one of the block courses below. Each of the block courses are capped at 18 students and will start at 9:00am on Day 1 and finish at approximately 3:00pm on Day 4.

| | | |
|----------------|---------------------------------------------|------------------------|
| Block course 1 | 12-15 August 2025 (4 days, Tuesday-Friday) | Venue to be confirmed* |
| Block course 2 | 19-22 August 2025 (4 days, Tuesday-Friday) | Porirua |
| Block course 3 | 25-28 August 2025 (4 days, Monday-Thursday) | Porirua |

*We are hoping to offer block course 1 in Christchurch; however, we will not know until approximately April 2025 whether the venue is available. If it is not available, block course 1 will be held at Porirua.

Semester 2: 7321: Integration/Transition

You must attend one of the block courses below. Each of the block courses are capped at 30 and the teaching sessions for the block courses will run from Monday 9:00am to Wednesday midday. The one-hour summative clinical assessment will start from 1:00pm on Wednesday and go through until Friday for block course 1, and Thursday for block course 2.

| | | |
|----------------|----------------------------------------------|---------|
| Block course 1 | 13-17 October 2025 (5 days, Monday-Friday) | Porirua |
| Block course 2 | 20-23 October 2025 (4 days, Monday-Thursday) | Porirua |

General Information

The booking sheets for all block courses will be open **Monday 18 November 2024 at midday** on the Bachelor of Health Science: General Information 2024 Moodle page*.

Please do not book transport or accommodation until you have received confirmation of your block course requests.

* If you are not currently enrolled and therefore cannot access Moodle, please email your preferences to adminhss@wandw.ac.nz from midday on Monday 18 November 2024.
