

Construction Mixed Trades

 Levels 2/3

 49 credits

 Construction Campus

 Thursday & Friday

 9am–2:30pm (inc. ½ hour lunch)

Equipment

Students must wear closed-in shoes.

Travel

This is provided free, subject to students meeting MoE requirements.

Dates

Thursday 12 February - Friday 13 November 2026 (34 weeks), normal school and public holidays apply.

Application

Students must be enrolled in a secondary school in the Wellington region and be enrolled in a WTA course by their secondary school/kura.

Interview

Students may be requested to attend an interview with a family member or school representative.

Qualification

NCEA Level 2 with credit towards Vocational Pathway award.

Credits

On successful completion of this course, students will have gained 49 credits, 47 being Level 2 credits and 2 Level 3 credits.

Assessment

Assessment is competency based against unit standard outcomes and related evidence requirements.

Assessments will follow the processes required by NZQA and relevant industry requirements.

Learning outcomes

A student successfully completing this strand will be able to:

- Perform basic residential plumbing maintenance
- Perform basic residential painting and decorating
- Select and install flexible cords
- Read and interpret plans and specifications for construction projects
- Plan, construct, monitor and quality check a non-consent timber-framed utility building
- Use tools and equipment safely, and follow health and safety procedures in a workshop and construction site

Vocational Pathways

DISCLAIMER: The information contained in this information sheet describes the programmes/courses we intend to offer via Te Pūkenga trading as Whitireia and WelTec. The information is correct at the time of design (September 25). Please note that programmes and courses are subject to change.

0800 STUDY WW (788 399) | Wellington.TradesAcademy@whitireia.ac.nz
