

# Health Pathways

## Anatomy and Physiology

 Levels 3/4

 21 credits

 Whitireia Porirua Campus

 Thursday

 9am–2:30pm (inc. ½ hour lunch)

### Equipment

Protective clothing and safety equipment is provided if appropriate

### Travel

This is provided free, subject to students meeting MoE requirements.

### Dates

Thursday 12 February – Thursday 12 November 2026 (34 weeks), normal school and public holidays apply.

### Application

Students must be enrolled in a secondary school in the Wellington region and be enrolled in a WTA course by their secondary school/kura.

### Interview

Students may be requested to attend an interview with a family member or school representative.

### Qualification

NCEA Level 3 with credit towards Vocational Pathway award.

### Credits

On successful completion of this course, students will have gained 21 credits – 6 Level 3 and 15 Level 4 credits.

### Assessment

Assessment is competency based against unit standard outcomes and related evidence requirements.

Assessments will follow the processes required by NZQA and relevant industry requirements as outlined by the relevant Workforce Development Council.

### Learning outcomes

A student successfully completing this strand will be able to:

- Describe the function of body systems
- Name and describe the different organs of the body
- Describe how these systems work together to maintain the body's correct function

## Students will be assessed against the following criteria:

Course title		Level	Credits	Version
<b>Health Science – Anatomy and Physiology</b>		3	6	
Comprises of the following unit standards:		4	15	
<b>12700</b>	Describe the human cardiovascular system	4	3	6
<b>12706</b>	Describe the human digestive system	4	2	6
<b>12713</b>	Describe the human integumentary system	4	1	6
<b>12719</b>	Describe the human musculoskeletal system	4	2	6
<b>12728</b>	Describe the human respiratory system	4	3	6
<b>12730</b>	Describe the special senses of the human body	4	4	6
<b>27457</b>	Describe the anatomy and physiology of systems and associated organs of the human body	3	6	4

## Further pathways:

- New Zealand Certificate in Health and Wellbeing - Health Assistance (Level 3)
- New Zealand Certificate in Health and Wellbeing - Support Work (Level 3)
- New Zealand Certificate in Health and Wellbeing - Peer Support (Level 4)
